**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I am a very satisfied customer of Sonic living in the SF Bay Area. I used to use ATT for my Internet Service and chose a minimal service plan to reduce cost (as Im retired).

I was pleasantly surprised that I could switch to Sonic for a lower price and yet get All the features at no more cost features such as CallerID which is invaluable Given all the spam calls.

And the few times I had to call Sonic Service I got knowledgeable customer support in a short time who would quickly resolve my issue. (With ATT Id get a confused English-challenged person whod hand me off to another barely competent person.

Please dont dismantle key components of the 1996 Telecommunications Act which allow competitors such as Sonic to exist.
